To Meet in Louisville—Thomas Sheehan Tipped For Commander

The annual convention of the Kentucky Division of the Grand Army of the Republic, composed of Union Veterans of the Civil War, will meet in Louisville May 13th and 14th. Delegates from all of the Posts in Kentucky will attend the convention and more than 200 veterans will go to Louisville.

Arrangements for the convention are in the hands of a committee, of which Captain Mike Minton is Chairman. The committee is com-

posed of representatives from the Louisville Posts of the G. A. R. While all of the arrangements have not been completed it has been definitely determined to hold the convention in Germania Hall, at First and Jefferson streets.

L. V. Dodge of Berea is the State Commander of the organization, and it is the plan of the Louisville veterans to elect Thomas Sheehan of George H. Thomas Post to succeed him. Captain Sheehan was Commander Dodge's closest competitor last year, and was only defeated by a narrow margin. The Louisville man is popular with the veterans all over Kentucky, and his Louisville friends declare that he will be elected Commander this year without opposition.

Many of the fine Bluegrass cattle are dying in Fayette county with a strange disease. They have eaten greedily of the new clover, and when they satisfy the thirst which this diet gives them, they bloat at once and a strange gaping is the result, ending in distortion of the glands and death.

In Selecting a SUIT OF CLOTHES For Self Or Son

Is it not the wise thing to look over the biggest selection you can find? There are few clothing houses that carry the vast assortment of fine clothing you find in our house; none that sell them on as reasonable terms. In Children's Suits, notably the "College Brand," stand at the head of the list. They are no copies; they are "original." Our Shoe and Hat Departments are the features of Maysville's mercantile business. Very few houses in large cities carry the qualities and quantities we do in these two lines. Our \$12 Blue Serge Suits, of which we are selling scores, are the best values in the land. Let us show you them.

FOR CONGRESS,
Hon. JOSEPH B. BENNETT.

It is needless to say that Delegate ALTON B. PARKER will go to Denver uninstructed.—Birmingham Age-Herald.

It is said that Senator ALDRICH sells the handwriting on the wall and is now for TAFT, and that it is all over but the shouting.

ACCORDING to the police census just taken, the population of Washington City is 339,403, an increase of 982 over last year. There are 241,920 whites and 97,483 Negroes.

TODAY is Taft day in all Kentucky for the second time, and tomorrow will be the biggest of all Taft days in the old Commonwealth, when she will decide to cast at least a score of votes for the next President of the United States.

GOVERNOR HUGHES is hardly entitled to be classed as a favorite son. He is not devoted to great questions, except insofar as fraud in a campaign is a great question, and he has not led the Republican management of 1904 to make even a mild explanation or apology. At this moment he seems to be about dormant.—Cincinnati Enquirer.

A young man was out driving the other evening with his best girl. The conversation turned to fortune telling; he asked her if she believed in palmistry. She looked up demurely and naively said:

"Well, I don't know, but I think I could foretell more pleasure if I saw the lines in one of your hands."

The young man was slow to comprehend her meaning, sat with bowed head and wrinkled brow until at least two miles had been traversed, when a great light broke upon him and an expansive smile illuminated his features.

He took the lines in one hand and grasped the situation.

DRESS-MAKERS

The nervous strain through which dressmakers have to pass at certain seasons of the year seems almost beyond endurance, and frequently brings on nervous prostration, fainting spells, dizziness, sleeplessness and a general breaking down of the feminine system, until life seems altogether miserable.

For all overworked women there is one tried and true remedy.

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

restores the feminine system to a strong, healthy, normal condition.

Mrs. Ella Griffin, of Park St., Clinton, N.Y., writes to Mrs. Pinkham:

"I was troubled for three years with female weakness, backache, pains in my side, and headaches. I was most miserable and discouraged, for doctors gave me no relief. Lydia E. Pinkham's Vegetable Compound brought back my health and made me feel better than ever before."

FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulence, indigestion, dizziness or nervous prostration. Why don't you try it?

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.

KITCHEN ECONOMY

There is a triple economy in using Chenoweth's Baking Powder:

1. It costs less than other good powders.
2. It goes about twice as far.
3. It gives uniformly good results.

The amount of money lost in one "spoiled" baking, through the use of impure powder, would pay the entire cost of Chenoweth's Baking Powder for several months. This powder is always pure, fresh and of full strength, hence you can always depend upon its producing uniform results.

About 2,000,000 bushels of coal, in charge of the Josh Cook, Valiant, Ed Roberts, Helen White and Exporter, each with twenty-two pieces, have started from Pittsburgh.

The Secretary of Commerce and Labor has ordered a report of the steam power of all boats over 100 tons plying on inland waters.

The order is for the purpose of securing more accurate statistics for the use of the Department of Commerce. In this connection it has

developed that the steamer Sprague, owned by the Monongahela River Consolidated Coal and Coke Company, with 2,500 horse-power, is at

the head of the lists of the boats plying on the

Ohio and Mississippi rivers, the J. B. Williams ranking second.

MAYSVILLE, KY.

The Republicans of the Sixth Kentucky Congressional District held two conventions and selected two sets of delegates and alternates for the National Convention at Chicago and two Presidential electors, but each convention nominated John R. Inglis as a candidate for Congress.

WASHINGTON, May 4th.—Vice-President Fairbanks will officially represent the United States at Quebec, Canada, during the visit there of the Prince of Wales, July 22d to 29th, on the occasion of the celebration of the three hundredth anniversary of the arrival of the Champain.

JEFF DAVIS' SPEECH

In the United States Senate Was Rank And Worthy of Herr Most

In the Senate of the United States "May Day" the Hon. Jefferson Davis, Senator from Arkansas, made a few "intangible remarks," some of the warmest extracts following:

During his speech he roundly denounced the Trusts, commanded the President's recent message outlining measures for relief; spoke of the removal of the motto, "In God We Trust," from the coins, and declared that John D. Rockefeller, the Standard Oil Company and J. Pierpont Morgan should be indicted for treason.

DENOUNCES THE PRESS.

He also denounced the press as "scavengers of plutocracy, miserable travesties upon noble manhood and post-graduates in all arts of slander or defamation."

His remarks in that connection were as follows:

"Let scavengers of plutocracy howl; truth, God's living truth—where are its defenders? Miserable travesties upon noble manhood, post-graduates in all arts of slander or defamation. I challenge the subsidized press; the people know your designs and spurn your pretense, whether under show of argument or mere servient hypocrisies."

IMPS OF GREED.

"Go, damnable imps of pelf and greed. I defy your taunts. Tear to fragments my political career if it comport with your execrable will. Stifle and distort my every utterance. Not satisfied, if such be your brutal frenzy, lash my poor form into insensibility."

"Then if it be your further pleasure gnaw from my stiffened bones every vestige of flesh. Howl wretched beastiality through my own innocent blood as it drops from your fiendish visages."

"Drag then, if you want, what remains into the filth and the vermin of your foul dens and burn it upon the altar of Baal or scatter it before the friendly winds of heaven to your betters—the carrion crows of the field," etc.

OHIO AROUSED

Prompt Action Taken to Protect Tobacco Growers—State Troops to Guard the Burley District

COLUMBUS, O., May 4th.—If troops are sent to the tobacco district Cleveland and Columbus probably will furnish the Cavalry. If Infantry is employed the Batavia Company of the First Regiment and the Manchester Company of the Seventh Regiment will be used. Assistant Adj't Gen. Kautzman says that the whole guard of the State will be called out if necessary to stop the raiding. He has been informed that at least some of the raiding has been done by men who belong on the Ohio side.

RIPLEY, O., May 4th.—Night riding in the Ohio-Burley District and destruction of tobacco beds is at an end. Adj't Gen. Critchfield of the State troops has ordered two Companies of Cavalry and one Company of Militia to report Tuesday for duty. Critchfield was in consultation with leaders of the Law and Order League and decided there was but one remedy—to call on the State militia.

GEORGETOWN, O., May 4th.—Adj't Gen. Critchfield, before leaving here for Columbus this morning, is understood to have given the impression that he would recommend to Gov. Harris that mounted patrols be placed along the Ohio river in the tobacco section to prevent depredations by "night riders."

Gen. Critchfield did not state from what Regiment of the O. N. G. it was planned to detail the mounted men or the number. The force will be sufficient to thoroughly guard the river front until such time as it appears certain that it is safe to withdraw them.

The General is of the opinion that Infantry would be useless in large force. It is only necessary to watch the "riders" and give the alarm. If warning is given, the tobacco raisers will act as minute men and give

FOUND CUTICURA INDISPENSABLE

For Her Children—Little Girls Suffered with Itching Eczema Which Simply Covered Back of Heads—Baby Had a Tender Skin, Too.

ALL PROMPTLY CURED BY "WONDERFUL OINTMENT"

"Some years ago my three little girls had a very bad form of eczema. Itching eruptions formed on the backs of their heads which were simply covered. Before I heard of Cuticura, I used to try almost everything, but they failed. Then my mother recommended the Cuticura Remedies. I washed my children's heads with Cuticura Soap and then applied the wonderful ointment, Cuticura. I did this four or five times and I can say that they have been entirely cured. I have another baby who is so plump that the folds of skin on his neck were broken and even bled. I used Cuticura Soap and Cuticura Ointment and the next morning the trouble had disappeared. I am using the Cuticura Remedies yet whenever any of my family have any sores. I can never recommend Cuticura sufficiently; it is indispensable in every home. I cannot find its equal. Mme. Napoleon Dupey, 41 Duluth St., Montreal, Que., May 21, 1907."

PAINFUL ULCER

On Foot for a Year. Healed by Two Sets of Cuticura

"I had an ulcer on my foot for a year or more and it was very painful as it was a running sore. I had a doctor, but his treatment did not heal it. About eight months ago I commenced to use Cuticura Soap, Cuticura Ointment, and Cuticura Pills. I used two sets and it is now all healed up. Mrs. E. F. Ryder, West Brewster, Mass., April 29, 1907."

the Kentuckians a hot reception. The growers will, in fact, sleep on their arms, prepared at any time for an alarm and a series of signals will be arranged.

Gen. Critchfield thoroughly investigated the whole situation up as far as Aberdeen. Next Wednesday the Society of Equity is to have a big meeting at Augusta, Ky., and it is feared that trouble may be stirred up.

CARLISLE, KY., May 4th.—Circuit Court convened here today. Judge L. M. Fryer instructed the Grand Jury, putting a special emphasis on an investigation of the killing of Hiram Hedges by the night riders, asking the Jury to direct its attention to the violations of law by night riders.

The Governor appointed Miss Catherine Petit, of Ashland as delegate from Kentucky to the National Charities Conference to be held in Richmond, Va., on May 6th.

Charles Crawford, formerly of this city, arrested for tilting the lid at Lexington Sunday, was remanded at his examining trial yesterday. The Police Judge of the city regarding the accused's defense as sufficient to exonerate him.

WELL DESERVED

The Praise That Comes From Thankful Maysville People.

One kidney remedy never fails. Maysville people rely upon it.

That remedy Doan's Kidney Pills.

Maysville testimony proves it always reliable.

Mrs. Della Means, 328 East Front street, Maysville, Ky., says:

"About seven years ago kidney trouble made its appearance in my case. The first symptom was a sharp pain through the kidney regions, accompanied by a bearing-down feeling through the hips and loins. Dull, miserable headaches soon began to bother me, and I would often become so dizzy that if I did not catch hold of something I would have fallen. I continued to grow worse, until my condition became such that I was often confined to my bed for a week at a time. No remedy I used helped me in the least, and I was in a truly critical condition.

Dropsical symptoms appeared, and at times there was an almost complete retention of the kidney secretions. My feet and ankles became so swollen that at times I could not wear my shoes, and this swelling gradually spread to all parts of my body, and it would be impossible to describe the misery I endured. I had about despaired of ever being cured, when I read of a person who had been cured of a similar trouble by the use of Doan's Kidney Pills. Desiring to try them, I procured a box at J. J. Wood & Son's Drugstore, and obtained so much relief from the contents of this box that I procured a further supply and through its use was entirely cured. I have no hesitancy in saying that Doan's Kidney Pills saved my life, and it would be impossible for me to give them more praise than they deserve."
